South African Sports Confederation and Olympic Committee**

Dear All,

At the Excom meeting this past weekend, the Excom was not satisfied with the draft financial statements presented. The Excom decided that the AGM scheduled for Saturday 25 October 2008 cannot continue unless the Treasurer can assure Excom members that the financials will indeed be finalised in a presentable format, for timely circulation.

Based on the feedback from the Treasurer received today and after discussion with the President, the AGM can not take place on the notice date. **In the circumstances, the AGM will now take place on Saturday 8 November 2008 at 10h30, at a NEW VENUE, the High Performance Centre (HPC), University of Pretoria (Burnett Street entrance to LC de Villiers Stadium)**. This is due to the Africon conference facility is not being available available on 8 November 2008. With the consent of all provinces, I suggest that the dates be accordingly extended as below:

Notices of Motions to be submitted - on or before 18 October 2008

Nomination forms - on or before 23 October 2008

Annual reports (provincial) - on or before 29 October 2008

As a subsequence, the Board Meeting will be scheduled accordingly. Agenda items to be submitted on or before 29 October 2008. All other arrangements remain.

Any inconvenience is regretted.

Yours faithfully

*J Sterk*

**Secretary**
